**Dear Mr. Saji Mathews,**

I am Arpit Singh enthusiastically would like to apply for available Project manager position in Infosys private limited. I want to contribute to the company's continued success. Contributing in a dynamic and excellence-oriented environment is my aspiration.

With over 3 years of experience in the field of Project management, I have developed skills that are essential for managing a team. In addition, I have proficiency in software such as github, git-bucket which can support successful performance in this role. With strong teamwork, I'm sure I can contribute and help the project team. I am very enthusiastic about this opportunity and feel that Engineering industries is the perfect place for me to grow and contribute. I enclose my more detailed resume for your consideration.

Thank you for taking the time to read my cover letter. I really hope to get the opportunity to discuss further in the interview.

Yours faithfully,

**ARPIT SINGH**
